Independent Auditor's Report on Audited Interim Financial Results for the half year ended 30th September, 2026 of the IREDA Global Green Energy Finance IFSC Limited Pursuant to section 133 of The Company's Act, 2013

To,
The Board of Directors
IREDA Global Green Energy Finance IFSC Limited
New Delhi

Opinion

We have audited the accompanying Interim financial results of **IREDA Global Green Energy Finance IFSC Limited** for the half year ended 30th September, 2026 results for the period, attached herewith, being submitted by the company.

In our opinion and to the best of our information and according to the explanations given to us these financial results:

- give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IND AS") IFSCA guidelines and other accounting principles generally accepted in India, of the Loss and other comprehensive income and other financial information for the half year ended 30th September, 2026.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act) as amended (the Act) issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with

V. V. PATEL & CO. FRN 118724W CHARTERED ACCOUNTANTS

these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Financial Results

The Company's Board of Directors are responsible for the preparation and presentation of these financial results that give a true and fair view of the Loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder, IFSCA guidelines and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal financial control

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

- Materiality is the magnitude of misstatement in the financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial results may be influenced. We consider quantitative materiality and qualitative factors in

(i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

Material Accounting Policy Information

1) **Corporate Information**

IREDA Global Green Energy Finance IFSC Ltd ("the Company") (CIN:U66190GJ2024GOI151339) is a wholly owned subsidiary of IREDA Ltd incorporated on 7th May 2024. The Company is a Public Limited Company, domiciled in IFSC GIFT City, Gujarat, India and is limited by shares and is having its registered office and principal place of business at Unit No GA -37, Seat No 1- 4, Ground Floor, Pragya Accelerator, Block 15 T, Road 11, Zone 1, Processing Area, GIFT SEZ, GIFT City, Gandhinagar- 382355, Gujarat.

The Company has been incorporated to Lend in the form of loans, commitments and guarantees, credit enhancement, securitization, financial lease, and sale and purchase of portfolios, undertake investments, including subscribing, acquiring, holding, or transferring securities or such other instruments, as may be permitted by the Authority and buy or sell derivatives.

The Company is a Finance Company as per International Financial Services Centres Authority (IFSCA) Regulations, 2021 having its registration number FCO2025FNC0793 dated 18th February, 2025.

2) **Basis of Preparation**

(i) Statement of Compliance with Ind AS

The financial statements of the Company is being prepared in accordance with the Section 133 of the Companies Act 2013 and in compliance with the Indian Accounting Standards (Ind AS) issued by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 and as further amended.

The financial statements are prepared on a going concern basis and on accrual basis of accounting. The Company has adopted historical cost convention except for certain items which have been measured on a different basis and such basis is disclosed in the relevant accounting policy.

Accounting policies have been consistently applied except where a newly issued

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118724W

accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Use of estimates

The preparation of the Company's financial statements requires management to make judgments, estimates, and assumptions that affect the reported amounts of revenues, expenses, assets and
liabilities, and the related disclosures. Management believes that the estimates used in the preparation of financial statement are prudent and reasonable. Future result could differ from these estimates. Any revision to accounting estimate is recognized prospectively in current and future periods.

(A) Significant management judgment in applying accounting

Recognition of deferred tax assets/ liability – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of the applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of the recoverable amount of the assets.

Non recognition of Interest Income on Credit Impaired Loans - Interest income on credit-impaired loan assets is not being recognized as a matter of prudence, pending the outcome of resolutions of stressed assets.

Materiality of Prior Period item -Prior period items which are not material are not corrected retrospectively through restatement of comparative amounts and are accounted for in current year. Omissions or misstatements of items are material if they could, individually or collectively, influence the economic decisions that users make on the basis of the financial statements.
Materiality depends on the size and nature of the omission or misstatement judged in the surrounding circumstances. The combination of size and nature of the items are the determining factor.

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

(B) Significant estimates

Useful lives of depreciable/amortizable assets – Management reviews its estimate of the useful lives of depreciable/ amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. In estimating the fair value of an asset or a liability, the Company uses market observable data to the extent it is available. In case of non-availability of market-observable data, Level 2 & Level 3 hierarchy is used for fair valuation.

Income Taxes – Significant estimates are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions and in respect of expected future profitability to assess deferred tax asset.

Provisions- The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

(iii) Functional and Presentation currency

The Company's financial statements are presented in "United State Dollar" (USD) which is its functional currency as per IFSCA (Finance Company) Regulations, 2021. Amounts in these financial statements have been rounded off to 'nearest million' up to two decimal points (unless otherwise stated). For other reporting purposes the financial statements are in in dual currency USD and Indian Rupee (INR) as allowed by IFSCA, which is the Company's presentation currency, by applying the following principles:

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

Material Accounting Policy Information

a) For USD as presentation currency

- Monetary items denoted in currencies other than USD (such as cash, receivables, payables etc.), outstanding at the end of reporting period, are translated at exchange rates prevailing on that date.

- Non-monetary items denominated in currency other than USD, (such as PPE, intangible assets, equity investments, capital/revenue advances other than expected to be settled in cash, etc.) are recorded at the exchange rate prevailing on the date of transaction, other than those measured at fair values.

- Any gains or losses arising due to differences in exchange rates at the time of translation or settlement are accounted for in the Statement of Profit and Loss.

b) For the purpose of conversion of financial statements into presentation currency i.e., INR, income and expenses are translated at exchange rates on the date of transaction (RBI reference rate) and assets and liabilities (except equity share capital) are stated at closing rate. The net impact of such changes is presented under foreign currency translation reserve (FCTR) in Other comprehensive income (OCI) as a separate component of equity.

- As per Para 27 of Ind AS 21, exchange difference on monetary items that qualify as hedging instruments in cash flow hedge are recognized in other comprehensive income to the extent hedge is effective. Accordingly, Company recognizes the exchange difference due to translation of foreign currency loans at the exchange rate prevailing on reporting date in cash flow hedge reserve.

3) MATERIAL ACCOUNTING POLICIES

(i) Property, Plant and equipment (PPE)

Tangible Assets

The (Tangible assets) is initially recognized at cost.

The cost of an item of Property, Plant and Equipment comprises of its purchase price, including import duties, non-refundable taxes, after deducting trade discounts & rebates, borrowing cost if capitalization criteria are met and any cost directly attributable in bringing the asset to the location and condition necessary for it to be ready for its intended use. Stores and spares which meet the recognition criteria of Property, Plant and Equipment are capitalized and added in the carrying amount of the underlying asset.

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

The Company has adopted the cost model of subsequent recognition to measure the Property, Plant and Equipment. Consequently, all Property, Plant and Equipment are carried at its cost less accumulated depreciation and accumulated impairment losses, if any.

De-recognition

An item of PPE is derecognized on disposal, or when no future economic benefits are expected from use. Gains or losses arising from de-recognition of a PPE measured as the difference between the net disposal proceeds and the Carrying amount of the asset are recognized in the Statement of Profit and Loss when the asset is derecognized.

Capital Work-in-Progress

The cost of PPE under construction at the reporting date is disclosed as 'Capital work-in-progress.' The cost comprises purchase price, import duties, non-refundable taxes, after deducting trade discounts & rebates, borrowing cost if capitalization criteria are met and any cost directly attributable in bringing the asset to the location and condition necessary for it to be ready for its intended use. Advances paid for the acquisition/ construction of PPE which are outstanding at the balance sheet date are classified under 'Capital Advances.'

(ii) Intangible Assets and Amortization

Intangible assets are initially measured at cost. The cost comprises purchase price, import duties, non-refundable taxes, after deducting trade discounts & rebates, borrowing cost if capitalization criteria are met and any cost directly attributable in bringing the asset to the condition necessary for it to be ready for its intended use. Such assets are recognized where it is probable that the future economic benefits attributable to the assets will flow to the Company.

All intangible assets with finite useful life are subsequently recognized at cost model. These intangible assets are carried subsequently at its cost less accumulated amortization and accumulated impairment loss if any.

Intangible Assets under Development

Expenditure incurred which are eligible for capitalization under intangible assets is carried as 'Intangible assets under development' till they are ready for their intended use.

Derecognition

An intangible asset is derecognized on disposal, or when no future economic benefits are expected

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

from use. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognized in the Statement of Profit and Loss when the asset is derecognized.

(iii) Depreciation and Amortization

Depreciation on Tangible PPE is provided in accordance with the manner and useful life as specified in Schedule –II of the Companies Act 2013, on Written Down Basis (WDV) except for the assets mentioned as below:

- Depreciation on Library books is provided @ 100% in the year of purchase.
- Depreciation is provided @100% in the financial year of purchase in respect of assets of USD 60.00 or less.
- Amortization of intangible assets is being provided on straight line basis.
- Useful lives for all PPE & Intangible assets are reviewed at each reporting date. Changes, if any, are accounted for as changes in accounting estimates.

- Useful life of assets as per Schedule II:

Asset Description	Estimated Useful Life	Residual Value as a %age of original cost
Building	60 years	5%
Computers and Data Processing Units		
-Laptops / Computers	3 years	5%
-Servers	6 years	5%
Office Equipment's	5 years	5%
Furniture and Fixtures	10 years	5%
Vehicles	8 years	5%
Intangible Assets	5 years	0%

(iv) Government and Other Grants / Assistance

The Company may receive government grants that require compliance with certain conditions related to the Company's operating activities or are provided to the Company by way of financial assistance on the basis of certain qualifying criteria.

Government grants are recognized when there is reasonable assurance that the grant will be received,

V. V. Patel & Co. FR No. 118124W CHARTERED ACCOUNTANTS

and the Company will be able to comply with the conditions attached to them. These grants are classified as grants relating to assets and revenue based on the nature of the grant.

Government grants with a condition to purchase, construct or otherwise acquire long term assets are initially recognized as deferred income. Once recognized as deferred income, such grants are recognized in the statement of profit and loss on a systematic basis over the useful life of the asset.

Changes in estimates are recognized prospectively over the remaining life of the asset.

Grant related to subsidy are deferred and recognized in the statement of profit and loss over the period that the related costs, for which it is intended to compensate, are expensed.

Grant-in-aid for financing projects in specified sectors of are treated and accounted as deferred income.

The expenditure incurred under program/schemes (where the expenditure incurred are recoverable from respective agencies) is accounted for as recoverable and shown under the head 'Other Financial Assets'. The reimbursed expenditure from respective agencies is credited to the said account.

(v) Leases

- **As a lessee**

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether :-

i. The contract involves the use of an identified asset;
ii. The Company has substantially all of the economic benefits from use of the asset through the period of the lease, and
iii. The Company has the right to direct the use of the asset.

The Company applies a single recognition and measurement approach for all leases, except for short- term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

V. V. Patel & Co. ★ CHARTERED ACCOUNTANTS ★ FR No. 11[illegible]24W

Material Accounting Policy Information

i) Right-of-use assets

The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the estimated useful life of the assets.

ii) Lease liabilities

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. The incremental borrowing rate is the SBI MCLR rate for the period of the loan if the loan is up to 3 years. For a period, greater than 3 years, SBI MCLR rate for 3 years may be taken.

iii) Short-term leases and leases of low-value assets

Lease payments on short-term leases (which has a lease term of up to 12 months) and leases of low value assets (asset value up to USD 12000 or INR 10,00,000) are recognized as expense over the lease term. Lease term is determined by taking non-cancellable period of a lease, together with both:

a) Periods covered by an option to extend the lease if the lessee is reasonably certain to exercise that option; and

b) Periods covered by an option to terminate the lease if the lessee is reasonably certain not to exercise that option.

(vi) Impairment of Non-Financial Asset

The Company assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

assets or Group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

(vii) Cash and cash equivalents

Cash comprises of cash in hand, cash at bank including debit balance in bank overdraft, if any, demand deposits with banks and commercial papers deposits. Cash equivalents are short term deposits (with an original maturity of three months or less from the date of acquisition), highly liquid s that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(viii) Borrowing costs

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying asset are capitalized up-to the date when the asset is ready for its intended use after netting off any income earned on temporary investment of such funds.

To the extent that the Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset.

Other borrowing costs are expensed in the period in which they are incurred.

(ix) Foreign currency transactions

Transactions in currencies other than the functional currency are recognized at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Foreign exchange gains and losses resulting from the settlement of such transactions and the re-measurement of monetary items denominated in foreign currency at period-end exchange rates are recognized in the Statement of Profit and Loss. RBI

V. V. Patel & Co. * CHARTERED ACCOUNTANTS * FR No. 118124W

reference rate is considered for the purpose of exchange rate.

(x) Earnings per Share

The basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing adjusted net profit after tax by the aggregate of weighted average number of equity shares and dilutive potential equity shares outstanding during the year. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

(xi) Provisions

A provision is recognized when the Company has a present obligation (Legal or Constructive) as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

(xii) Contingent liabilities

Contingent liabilities are not recognized but disclosed in notes when the Company has possible obligation due to past events and existence of the obligation depends upon occurrence or non-occurrence of future events not wholly within the control of the Company and Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent liabilities are assessed at every reporting period to determine whether outflow of economic resources have become probable. If the outflow becomes probable, then relative provision is recognized in the financial statements.

(xiii) Contingent Assets

Contingent Assets are not recognized but disclosed in notes which usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits.

Contingent assets are assessed at every reporting period to determine whether inflow of economic benefits becomes virtually certain, then such assets and the relative income will be recognized in the financial statements.

(xiv) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118121W

chief operating decision maker.

(xv) Material prior period errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated unless it is impracticable, in which case, the comparative information is adjusted to apply the accounting policy prospectively from the earliest date practicable.

(xvi) Taxation

Income tax expense comprises current tax and deferred tax. Provision for tax is made using the tax rates applicable as on the reporting date, and any adjustment to tax payable in respect of previous years under the relevant statute. Income tax expense is recognised in the statement of profit and loss.

Deferred tax arising on account of timing differences between the taxable income and accounting income is measure at the tax rates that are expected to apply as on the balance sheet date. Deferred tax assets are recognised only to the extent that there is a virtual certainty of realisation.

IREDA Global Green Energy Finance IFSC Ltd, qualifies for a ten consecutive year tax exemption out of a fifteen years from the date of registration with IFSCA. The deferred tax on timing difference which reverse during the tax holiday period are not recognised to the extent the gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of timing differences which reverse after the tax holiday period is recognised in the year in which the timing differences originate. The timing difference which originates first is reversed first.

(xvii) Employee Benefits

a) Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

b) Post-employment and other long term employee benefits:

The Company contributes to holding company for post-employment benefits in the form of

Material Accounting Policy Information

Provident Fund, Gratuity Fund, etc. Company's contribution to holding Company for Provident Fund, Gratuity Fund and other funds are considered to be made when services are rendered by the employees.

(i) Defined contribution plan

A defined contribution plan is a plan under which the Company pays fixed contributions in respect of the employees into a separate fund. The Company has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution. The contributions made by the Company towards defined contribution plans are charged to the statement of profit and loss in the period to which the contributions relate.

(ii) Defined benefit plan

The Company has an obligation towards gratuity, Post-Retirement Medical Benefit (PRMB) and Other Defined Retirement Benefit (ODRB) which are being considered as defined benefit plans covering eligible employees. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service, final salary, and other defined parameters. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside.

The Company's obligation towards defined benefit plans is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The liability recognized in the statement of financial

position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets. Management estimates the DBO annually with the assistance of independent actuaries

Actuarial gains/losses resulting from re-measurements of the liability/asset are included in Other Comprehensive Income.

The liability for retirement benefits of employees in respect of provident fund, benevolent fund, superannuation fund and Gratuity is funded with separate trusts.

The Company's contribution to Provident Fund / Superannuation Fund is remitted to separate

V. V. Patel & Co. * CHARTERED ACCOUNTANTS * FR No. 118124W

trusts established for this purpose based on a fixed percentage of the eligible employee's salary and debited to Statement of Profit and Loss.

c) Other long-term employee benefits:

Liability in respect of compensated absences becoming due or expected to be availed more than one-year after the balance sheet date is estimated on the basis of actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the period in which such gains or losses are determined.

(xviii) Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss.

- Financial Instruments other than Loans consist of :-
  - Financial assets include cash and cash equivalents, trade receivables, unbilled revenues, finance lease receivables, employee and other advances.
  - Financial liabilities include borrowings, bank overdrafts, trade payables.

Non derivative financial instruments other than loans are recognized initially at fair value including any directly attributable transaction costs. Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset.

Subsequent to initial recognition, they are measured as prescribed below:

a) Cash and cash equivalents

For the purposes of statement of cash flow, cash and cash equivalents include cash in hand, at bank,

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

demand deposits with banks, cash credit, fixed deposits and foreign currency deposits, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the statement of financial position, bank overdrafts are presented under borrowings.

b) Trade Receivable

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company determines impairment loss allowance based on individual assessment of receivables, historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates.

c) Other payables

Other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short-term maturity of these instruments.

(xix) Dividend

Proposed dividends and interim dividends payable to the shareholders are recognized as changes in equity in the period in which they are approved by the Board of Directors and in the shareholders' meeting respectively.

(xx) Revenue Recognition

- **Interest Income**

Interest income is accounted on all financial assets (except Company is not recognizing interest income on credit impaired financial assets) measured at amortized cost. Interest income is recognized using the Effective Interest Rate (EIR) method in line with Ind AS 109, Financial Instruments. The Effective Interest Rate (EIR) is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to that asset's net carrying amount on initial recognition. The EIR is calculated by taking into account transactions costs and fees that are an integral part of the EIR in line with Ind AS 109. Interest income on credit impaired assets is recognized on receipt basis.

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

Rebate on account of timely payment of interest by borrowers is recognized on receipt of the entire interest amount due in time, in accordance with the terms of the respective contract and is netted against the corresponding interest income.

Unless otherwise specified, the recoveries from the borrowers are appropriated in the order of (i) incidental charges (ii) penal interest (iii) overdue interest and (iv) repayment of principal; the oldest being adjusted first. The recovery under One Time Settlement (OTS) proceedings is appropriated first towards the principal outstanding and remaining recovery thereafter, towards interest and other charges, if any.

❑ **Other Revenue**

- Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) are recognized as per Ind AS 115 - Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers. The Company recognizes revenue from contracts with customers based on the principle laid down in Ind AS 115 - Revenue from contracts with customers.

- Revenue from contract with customers is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably. Revenue is measured at the transaction price agreed under the Contract. Transaction Price excludes amounts collected on behalf of third parties (e.g., taxes collected on behalf of government) and includes/adjusted for variable consideration like rebates, discounts, only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the variable consideration is subsequently resolved.

❑ **Revenue from Fees and Commission**

- **Revenue from Fee & Commission**

Fees and commission are recognized on a point in time basis when probability of collecting such fees is established.

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 119124W

Material Accounting Policy Information

(xxi) Expense

Expenses are accounted for on accrual basis. Prepaid expenses upto USD 3000/- per item are charged to Statement of Profit & Loss as and when incurred/adjusted/received.

(xxii) Income and Expenses are accounted for on accrual basis except the following:

1. Prior to commencement of business all expenses net of income to be charged to P&L as preliminary expense
2. Post commencement booking shall be in related expense or income head

****

12. Compliance with number of layers of companies : NIL

13. Disclosure in respect of Indian Accounting Standard (Ind AS)-33 "Earnings per Share (EPS)"

A. Basic EPS

Basic earnings per equity share is calculated by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The calculation of Basic EPS is as follows:

V. V. Patel & Co. CHARTERED ACCOUNTANTS FR No. 118124W

Particulars	Period ended 30.09.2026	Period ended 30.09.2025
Profit / (loss) for the year, attributable to the equity shareholders of the Company (INR)	(1,08,27,005)	52,56,859
Earnings used in calculation of basic earnings per share (A) (INR)	(1,08,27,005)	52,56,859
Weighted average number of ordinary shares for the purpose of basic earnings per share (B)	2,60,00,000	2,60,00,000
Face Value per Equity Share (INR)	10	10
Basic EPS (A/B) (INR)	(0.42)	0.20

Diluted EPS

Diluted earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The calculation of Diluted EPS is as follows: -

Particulars	Period ended 30.09.2026	Period ended 30.09.2025
Profit / (loss) for the year, attributable to the equity shareholders of the Company (INR)	(1,08,27,005)	52,56,859
Earnings used in calculation of basic earnings per share (A) (INR)	(1,08,27,005)	52,56,859
Weighted average number of ordinary shares for the purpose of basic earnings per share (B)	2,60,00,000	2,60,00,000
Face Value per Equity Share (INR)	10	10
Diluted EPS (A/B) (INR)	(0.42)	0.20

14. Disclosure in respect of Indian Accounting Standard (Ind AS)-36 "Impairment of Assets" :

As financing is the principal business of the company, measurement of loan assets at fair value considering the provision for loss due to impairment is most significant. The guiding principle is to reflect the general pattern of deterioration or improvement, along with a forward-looking framework in the credit quality of financial instruments with supportable information that is available without undue cost or effort. Accordingly, the Company has provided for the impairment provision of 1% on the Loan.

15. Disclosure in respect of Indian Accounting Standard (Ind AS)-37 "Provisions, Contingent Liabilities and Contingent Assets"
