

Amendment in Financing Norms as per approval in **466th meeting of the Board of Directors (BoD)** held on
07.08.2026

Amendment
The following minimum project capacity will be funded by IREDA. • Minimum 2 MW capacity for Hydro Energy Projects. • Minimum 5 MW capacity for Solar Energy Projects including PM-KUSUM Projects. • Minimum 5 MW capacity for Wind Energy Projects. All other provisions of the existing lending policy of IREDA shall remain unchanged.

The above is effective from 07th August 2026.
