

Notification on timeline for monthly claim submission under Wind GBI-II scheme :

All the claimants are hereby notified that “As per the Operational Guidelines on Wind GBI-II Scheme, IREDA shall not be responsible for processing the GBI claims which are not in compliance with the timeline set in the guideline (within three months from respective month) and such GBI claims for the respective month may be treated as ZERO, if there is no proper justification for the delay. However, one time relaxation on exceptional basis is being given to the claimants to upload all their pending claims within 30th September, 2023, subsequent to which the restriction for claim submission beyond 3 months shall be reviewed and strictly followed.
