IREDA achieves highest-ever loan sanctions and disbursements in FY26

IREDA on March 31, 2026, reported its **highest-ever annual loan sanctions and disbursements so far**, achieved in FY 2025-26, based on provisional data.

Loan sanctions during FY 2025-26 rose to ₹51,883 Cr., marking a growth of 9% over ₹47,453 Cr. in the previous financial year. Loan disbursements recorded a strong increase of 16%, reaching ₹34,946 Cr. as against ₹30,169 Cr. in FY 2024-25.

The outstanding loan book witnessed a significant expansion of 22%, standing at ₹93,075 Cr. as on March 31, 2026, compared to ₹76,282 Cr. in the previous year.

Shri Pradip Kumar Das, CMD, IREDA said, "Announcing IREDA's annual performance on the last day of the financial year reflects our continued commitment to transparency and timely disclosures. Achieving the highest-ever loan sanctions, disbursements and loan book is a testament to IREDA's pivotal role in financing India's renewable energy sector."

He further added, "I sincerely thank Hon'ble Union Minister for New & Renewable Energy; Hon'ble Union Minister of State, MNRE; Secretary, MNRE; our Board of Directors, and all stakeholders for their continued support. I also commend Team IREDA for their dedication and relentless efforts."

These provisional figures are subject to audit.

IREDA's IFSC arm IGGEFIL secures 'BBB+/Stable' international rating

IREDA Global Green Energy Finance IFSC Limited (IGGEFIL), a wholly owned subsidiary of IREDA, received its inaugural international credit rating from CareEdge Global Ratings on March 31, 2026.

IGGEFIL has been assigned a Long-Term Foreign Currency Issuer Rating of 'BBB+/Stable', which is at par with India's sovereign rating.

The rating reflects IGGEFIL's institutional linkage with its parent organisation, IREDA, and its strategic role in supporting the renewable energy financing ecosystem.

Shri Pradip Kumar Das, Chairman of IGGEFIL and CMD, IREDA, said the rating strengthens the company's global strategy and enhances its position to access international capital markets for clean energy financing. He added that the rating is expected to help in diversifying funding sources and reducing the cost of borrowing.

IREDA declares interim dividend of ₹0.60 per share

The Board of Directors of IREDA has approved the declaration of an interim dividend of ₹0.60 per equity share for the financial year 2025-26 in its meeting held on March 25, 2026.

The declaration underscores IREDA's strong financial performance, healthy asset base and sustained growth momentum, while maintaining a balanced approach between business expansion and shareholder returns.

Speaking on the announcement, Shri Pradip Kumar Das, CMD, IREDA, said: *"The declaration of interim dividend reflects IREDA's consistent financial strength and our commitment to delivering long-term value to shareholders. As we continue to scale up our financing to support India's renewable energy ambitions, we remain focused on maintaining a prudent and sustainable approach towards growth and returns."*

The record date for the interim dividend is fixed as April 2, 2026.

IREDA secures JPY 28 billion ECB Facility from SMBC

IREDA has entered into a Facility Agreement with Sumitomo Mitsui Banking Corporation (SMBC) to raise External Commercial Borrowing (ECB) amounting to JPY 28 billion, including a greenshoe option of JPY 12 billion. The proceeds will be utilised to support sustainable financing initiatives.

The five-year unsecured facility, structured with a bullet repayment at maturity, is expected to further strengthen IREDA's resource base while enhancing its presence in international financial markets. The facility is positioned as a cost-efficient and resilient funding source, particularly in the context of evolving global geopolitical dynamics.

Commenting on the development, Shri Pradip Kumar Das, CMD, IREDA, said the facility marks a significant step in expanding the organisation's global footprint. He noted that the transaction will strengthen IREDA's capacity to scale up lending operations in alignment with India's renewable energy and sustainable development goals. He added that the agreement reflects the strong confidence of leading global financial institutions in IREDA's financial strength, governance standards and growth prospects.

IREDA celebrates 40th Foundation Day, CMD emphasises governance, skills and future expansion

IREDA celebrated its 40th Foundation Day on March 11, 2026, at its Business Centre in New Delhi, marking 39 years of its journey in advancing renewable energy financing in India.

Addressing employees through a virtual platform, Shri Pradip Kumar Das, CMD, reflected on IREDA's remarkable journey and acknowledged the contributions of employees, both past and present. He said, the milestone belongs to every IREDAN who has helped build the institution with dedication, professionalism and integrity.

Shri Das highlighted that the organisation's journey has witnessed several ups and downs over the past 39 years, each offering valuable lessons. He emphasised that the last five to six years have been particularly transformative, marked not only by strong growth but also by significant improvements in systems, transparency and the highest standards of corporate governance.

Emphasising the importance of human resources, CMD said that employees are IREDA's greatest asset. He stressed the need for regular training and capacity-building programmes to further strengthen employees' skills and capabilities, enabling them to contribute more effectively to the development of the renewable energy sector.

He also noted that IREDA's role is now expanding beyond India, with new global opportunities through IREDA Global Green Energy Finance IFSC Limited at GIFT City, strengthening the institution's presence in international green financing.

Sharing his vision for the future, Shri Das urged employees to continue focusing on good governance, professionalism, innovation and efficiency as the organisation enters the next phase of growth. Employees also shared their feedback and suggestions with the management during the interaction.

The event was attended by senior officials including Dr. Bijay Kumar Mohanty, Director (Finance).

CMD expressed gratitude to the Hon'ble Union Minister and Hon'ble Minister of State for New & Renewable Energy; Secretary, MNRE; Board of Directors and other Government of India agencies for their continued support in IREDA's journey.

IREDA celebrates International Women's Day, promotes inclusive growth

IREDA celebrated International Women's Day 2026 on March 8, 2026, in New Delhi with the theme **"Give to Gain,"** recognising the contributions of women in the renewable energy sector and encouraging them to lead the journey towards sustainable development.

The event was graced by Ms. Anu Sethi, Director (HR), FEV India and a behavioural expert, as the Chief Guest. Shri Pradip Kumar Das, CMD, IREDA and Dr. Bijay Kumar Mohanty, Director (Finance), along with senior officials, attended the celebration. Spouses and mothers of IREDA employees also participated, making the occasion a celebration with the extended IREDA family.

In his address, CMD appreciated the contributions of women employees to IREDA's growth and highlighted the importance of gender diversity in strengthening governance, corporate values and institutional performance. He noted that women constitute around 23% of IREDA's workforce, among the highest in CPSEs and urged men to follow the **"3R – Recognise, Respect and Reflect"** to promote women's empowerment.

Chief Guest Ms. Anu Sethi conducted an interactive session on mindfulness and meditation, sharing insights on achieving work-life balance. She emphasised that sustainable success comes from clarity, balance and inner stability.

Addressing the gathering, Dr. Mohanty encouraged women employees to pursue excellence with confidence and cited inspiring examples of leading women who have made remarkable contributions in their respective fields.

An open interaction session was also organised, where spouses of employees interacted with CMD. This marked the fourth consecutive year of IREDA's organisation-wide International Women's Day celebrations, with active participation from both female and male employees, reflecting the company's collective commitment to fostering workplace equality and inclusion.

IREDA celebrates 40th foundation day, CMD emphasizes governance, skill development and future expansion

**BR Team
New Delhi**
 Indian Renewable Energy Development Agency Limited (IREDA) celebrated its 40th Foundation Day today at its Business Center in New Delhi, highlighting its 39-year journey in advancing renewable energy financing in the country. Addressing through a virtual platform, CMD Mr. Pradip Kumar Das spoke about the remarkable journey of IREDA and appreciated the contributions of its present and former employees. He said that this achievement is the result of every employee of IREDA who has contributed to building the institution with dedication, integrity and professionalism.

Mr. Das said that over the past 39 years, the organization has seen many ups and downs, and important lessons have been learned at every step. He emphasized that the last five to six years have been particularly transformational, during which the organization not only grew rapidly but also introduced significant improvements in its systems. He added that the organization has ensured transparency with the highest standards of corporate governance.

Highlighting the importance of human resources, the CMD said that employees are the biggest asset of IREDA. He stressed the need for regular training and capacity-building

programs to strengthen the skills and capabilities of employees so that they can contribute effectively to the growth of the renewable energy sector. He said that the role of IREDA is now expanding beyond India as well. Through IREDA Global Green Energy Finance IFSC Limited in GIFT City, new world-class opportunities are strengthening the institution's presence in international green financing.

Speaking about the vision for the future, Mr. Das urged employees to focus on good governance, professional conduct, innovation and efficiency as the organization moves into the next phase of growth. During the interaction with the management, employees also shared their suggestions and feedback.

Several senior officials, including Dr. Bijay Kumar Mohanty, Director-Finance, participated in the program.

The CMD expressed gratitude to the Hon'ble Union Minister, the Hon'ble Minister for New and Renewable Energy, the Secretary of MNRE, the Board of Directors and other agencies of the Government of India for their continued support in IREDA's journey.
