**IREDA posts strong provisional 9-month performance with 44% growth in disbursements, loan book up by 28%**

IREDA has reported strong business performance for the nine months ended December 31, 2025, registering a healthy growth across key operational parameters, based on provisional data.

Loan sanctions during the period stood at ₹40,100 cr., reflecting a growth of 29% over ₹31,087 cr. recorded during the corresponding period last year. Loan disbursements increased significantly by 44% to ₹24,903 cr., compared to ₹17,236 cr. as on December 31, 2024.

The outstanding loan book of the company reached ₹87,975 cr. as on December 31, 2025, marking a growth of 28% over ₹68,960 cr. in the same period of the previous year, reaffirming IREDA's expanding role as a largest pure-play green financing NBFC.

Shri Pradip Kumar Das, CMD, IREDA said, "The strong performance up to December 2025 underscores increasing confidence in IREDA's financing capabilities and the continued momentum in the renewable energy sector. Our expanding loan book reflects IREDA's critical role in enabling India's green energy growth."

Shri Das also expressed his sincere gratitude to the Hon'ble Union Minister for New & Renewable Energy, Hon'ble Minister of State for New & Renewable Energy, Secretary, MNRE, Board of Directors and all other stakeholders for their continued guidance and support. He also appreciated Team IREDA for their dedication and contribution towards sustained growth.

## CMD, IREDA highlights Balanced Pathways for Inclusive, Green Growth at Global Energy Leaders' Summit 2025

At the Global Energy Leaders' Summit held in Puri on December 7, 2025, Shri Pradip Kumar Das, CMD, IREDA, underscored IREDA's pivotal role in supporting Odisha's clean-energy transition and advancing India's sustainability agenda.

Speaking at the panel on *"Green and Clean: Balancing Ecology & Economy,"* CMD, IREDA emphasised that, from India's perspective of RE development, decarbonisation and the energy transition, responsibility cannot rest only with leaders of the country or corporate leadership. Leaders at every level - states, districts, panchayats, villages and even within families must collectively shoulder the responsibility of achieving net zero. He stressed that this can be realised only through a holistic approach that enables a robust ecosystem supporting both renewable-energy development and ecological balance.

He highlighted that IREDA, India's largest pure-play green lender, has sanctioned over ₹2.7 lakh cr. and disbursed more than ₹1.7 lakh cr. nationwide, supported by robust governance, digital paperless processes and industry-leading asset-quality. This performance, he noted, continues to attract substantial interest from global and domestic climate-finance investors.

Emphasising the growing importance of circular-economy practices, carbon markets, biodiversity offsets and climate finance, Shri Das said these tools are now essential for achieving sustainable and inclusive economic growth. Odisha, a major steel and aluminium producer, is well positioned to adopt circular manufacturing, including metals recycling and green hydrogen integration, enabling the production of premium green steel for export and boosting state GDP.

He also highlighted the potential of a Green Hydrogen Highway across Odisha, supported by more than 7 MTPA of announced green ammonia capacity and several industrial clusters. Co-locating hydrogen production with steel, aluminium, cement and chemical units, he said, could unlock significant industrial efficiency and competitiveness.

On carbon markets, he noted that Odisha's extensive forests and India's largest mangrove ecosystem provide unique opportunities for climate-finance mobilisation through advanced Monitoring, Reporting and Verification (MRV) and digital carbon registries.

Reaffirming IREDA's commitment, Shri Das said the agency has already disbursed over ₹2,400 cr. in Odisha, with a loan book of about ₹1,800 cr. across Hydro, Solar, Ethanol and Manufacturing. He added that IREDA stands ready to finance shared hydrogen infrastructure, plug-and-play RE parks, distributed solar and foreign-currency loans through its GIFT City subsidiary.

"Circularity, climate finance and nature-positive development must move together, IREDA stands ready to partner with Odisha to deliver sustainable, community-centred growth for the future," he said.

The event was graced by the Hon'ble Deputy Chief Minister of Odisha, Shri Kanak Vardhan Singh Deo, and Shri Vishal Kumar Dev, Principal Secretary (Energy), Government of Odisha, along with senior officials from various states, developers, academia, researchers and other dignitaries.

Along with Shri Das, the panel discussion featured Ms. Lena Backer, Former Enforcement Director, Government of Sweden and Chairperson for Life, The Royal Foundation for Peace Global Fund, Prof. Madhavi Srinivasan, Executive Director, Energy Research Institute, Nanyang Technological University, Singapore, and it was moderated by Dr. Dhruva Purkayastha, Advisor (Climate and Energy), Observer Research Foundation.

Organised by the Government of Odisha in association with the Tony Blair Institute for Global Change and IIT Kanpur, the summit was held from 5-7 December.

## IREDA strengthens Finance and Audit Leadership with key appointments

Shri Tusarkant Parida

Shri Jagdeep Singh

IREDA announced key senior-level appointments aimed at further strengthening its financial management and corporate governance.

Shri Tusarkant Parida joined IREDA as Executive Director (Finance & Accounts), while Shri Jagdeep Singh assumed charge as General Manager (Finance & Accounts) on December 31, 2025.

The Board of Directors in its meeting appointed Shri Jagdeep Singh as Head of Internal Audit and Internal Auditor of the company. His tenure in the said post will be effective from January 1, 2026 to December 31, 2028, or until further orders, whichever is earlier. The appointment follows the superannuation of Shri A. Chandrashekar, General Manager (Finance & Accounts), who was earlier heading the Internal Audit function.

Shri Jagdeep Singh is a commerce graduate (Honours) from Delhi University and a Member of the Institute of Cost and Management Accountants of India. He brings with him over 27 years of professional experience across both public and private sector organisations, including BSNL, Tata Communications Ltd., Airtel, Idea Cellular and Aircel.

Shri Tusarkant Parida holds a Bachelor's degree in Commerce (Honours) from Utkal University and is a Member of the Institute of Chartered Accountants of India. With more than 24 years of experience, he has served organisations such as Power Finance Corporation, Corporation Bank, BSNL and SRB & Associates.

Welcoming the appointments, Shri Pradip Kumar Das, CMD, IREDA, said, *"These appointments reflect IREDA's continued focus on strengthening financial discipline, highest standards of corporate governance and risk management. The experience and leadership brought in by these officers will further support the organisation's growing role in financing India's renewable energy transition."*

IREDA continues to align its internal processes with best practices to ensure transparency, accountability and sustainable growth.

## Gender Sensitisation Training at IREDA

As part of IREDA's ongoing efforts to foster a safe and inclusive workplace, officials attended interactive sessions on Gender Sensitisation conducted by the Ashok Institute of Hospitality & Tourism Management in New Delhi.

## IREDA congratulated Shri Piyush Agarwal for ICAI 40 Under 40 Award

IREDA congratulated Shri Piyush Agarwal, Manager (Finance), for being recognised with the prestigious **ICAI 40 Under 40 Award** by the Committee for Members in Industry & Business (CMIB) of the Institute of Chartered Accountants of India.

The award was presented by CA Charanjot Singh Nanda, President, ICAI, during a ceremony held on December 9, 2025, at the Jaypee Convention Centre, Agra.

Shri Pradip Kumar Das, CMD, IREDA congratulated him and remarked, "This achievement reflects IREDA's growing talent strength and our commitment to professional excellence. This will inspire and encourage other IREDA officers to excel in their respective functions."

#### CMD IREDA stresses on balanced growth at GELS

STATESMAN NEWS SERVICE  
Bhubaneswar, 7 December:

At the Global Energy Leaders' Summit in Puri on Sunday, Pradip Kumar Das, CMD, Indian Renewable Energy Development Agency Limited (IREDA), underscored IREDA's pivotal role in supporting Odisha's clean-energy transition and advancing India's sustainability agenda.

Speaking at the panel on "Green and Clean: Balancing Ecology & Economy," CMD, IREDA emphasized that, from India's perspective of RE development, decarbonisation and the energy transition, responsibility cannot rest only with leaders of the country or corporate leadership. Leaders at every level- States, districts, panchayats, villages, and even within families must collectively shoulder the responsibility of achieving net zero.

He stressed that this can be realised only through a holistic approach that enables a robust ecosystem supporting both renewable-energy development and ecological balance.

He highlighted that IREDA, India's largest pure-play green lender, has sanctioned over ₹2.7 lakh crore and disbursed more than ₹1.7 lakh crore nationwide.

Emphasising the growing importance of circular-economy practices, carbon markets, biodiversity offsets, and climate finance, Das said these tools are now essential for achieving sustainable and inclusive economic growth.

Odisha, a major steel and aluminium producer, is well positioned to adopt circular manufacturing, including metals recycling and green hydrogen integration, enabling the production of premium green steel for export and boosting state GDP.

#### IREDA reaffirms commitment to partner Odisha

He referred to the potential of a Green Hydrogen Highway across Odisha, supported by more than 7 MTPA of announced green ammonia capacity and several industrial clusters. Co-locating hydrogen production with steel, aluminium, cement, and chemical units, he said, could unlock significant industrial efficiency and competitiveness.

Odisha's extensive forests and India's largest mangrove ecosystem provide unique opportunities for

climate-finance mobilization through advanced Monitoring, Reporting and Verification (MRV) and digital carbon registries, stated the CMD. Das said the agency has already disbursed over ₹2,400 crore in Odisha, with a loan book of about ₹1,800 crore across Hydro, Solar, Ethanol, and Manufacturing. He added that IREDA stands ready to finance shared hydrogen infrastructure, plug-and-play RE parks, distributed solar, and foreign-currency loans

through its GIFT City subsidiary.

"IREDA stands ready to partner with Odisha to deliver sustainable, community-centred growth for the future," he said.

Deputy Chief Minister Kanak Vardhan Singh Deo, and Vishal Kumar Dev, Principal Secretary (Energy), along with senior officials from various states, developers, academia, researchers, and other dignitaries were present.

Along with Shri Das, the panel discussion featured Ms. Lena Backer, Former Enforcement Director, Government of Sweden and Chairperson for Life, The Royal Foundation for Peace Global Fund; Prof. Madhavi Srinivasan, Executive Director, Energy Research Institute, Nanyang Technological University, Singapore; and moderated by Dr. Dhruva Pankajastha, Advisor (Climate and Energy), Observer Research Foundation.

#### इरेडा को सीएमडी ने ग्लोबल एनर्जी लीडर्स समिट 2025 में समावेशी, हरित विकास के लिए संतुलित मार्गों पर डाली रोशनी

नेशनल, 8 दिसम्बर, 2025

पुरी में आयोजित ग्लोबल एनर्जी लीडर्स समिट में इंडियन रीन्यूएबल एनर्जी डेवलपमेंट एजेंसी लिमिटेड (इरेडा) के सीएमडी श्री प्रदीप कुमार दास ने उड़ीसा के स्वच्छ ऊर्जा रूपान्तरण और भारत के स्थायित्व के एजेंडा को समर्थन प्रदान करने में इरेडा की भूमिका पर रोशनी डाली।

'ग्रीन एंड क्लीन: बैलेंसिंग इकोलोजी एंड इकोनोमी' विषय पर आयोजित पैनल के दौरान इरेडा के सीएमडी ने इस बात पर ज़ोर दिया कि नवीकरणीय ऊर्जा के विकास, विकारबोनीकरण एवं ऊर्जा रूपान्तरण की बात करें तो इसकी जिम्मेदारी सिर्फ देश के लीडरों या कॉर्पोरेट लीडरशिप पर नहीं छोड़ी जा सकती। नेट ज़ीरो लक्ष्य

को हासिल करने के लिए राज्य, ज़िला, पंचालय, गांव और परिवार- हर स्तर पर लीडरों को कंधे से कंधा मिलाकर काम करना होगा। उन्होंने इस बात पर ज़ोर दिया कि ऐसा केवल समग्र दृष्टिकोण से ही संभव है, जो नवीकरणीय ऊर्जा के विकास एवं पारस्थितिकी संतुलन को सुनिश्चित करे।

उन्होंने कहा कि भारत के सबसे बड़े प्योर-प्ले ग्रीन ऋणदाता इरेडा ने सशक्त प्रशासन, डिजिटल पेपररहित प्रक्रिया और उद्योग जगत की अग्रणी असेट गुणवत्ता के चलते देश भर में 2.7 लाख करोड़ से अधिक को अनुमोदन दिया है और ₹ 1.7 लाख करोड़ से अधिक वितरण कर चुकी है। यह परफॉर्मन्स स्वदेशी एवं विश्वस्तरीय क्लाइमेट-फाइनैन्स निवेशकों को लुभा रहा है।
