IREDA Posts Strong Provisional 9-Month Performance with 44% Growth in Disbursements, Loan Book Up 28%

New Delhi, January 1, 2026

Indian Renewable Energy Development Agency Ltd. (IREDA) has reported strong business performance for the nine months ended December 31, 2025, registering healthy growth across key operational parameters, based on provisional data.

Loan sanctions during the period stood at ₹40,100 crore, reflecting a growth of 29% over ₹31,087 crore recorded during the corresponding period last year. Loan disbursements increased significantly by 44% to ₹24,903 crore, compared to ₹17,236 crore as on December 31, 2024.

The outstanding loan book of the company reached ₹87,975 crore as on December 31, 2025, marking a growth of 28% over ₹68,960 crore in the same period of the previous year, reaffirming IREDA's expanding role as a largest pure-play green financing NBFC.

Shri Pradip Kumar Das, Chairman & Managing Director, IREDA said, "The strong performance up to December 2025 underscores increasing confidence in IREDA's financing capabilities and the continued momentum in the renewable energy sector. Our expanding loan book reflects IREDA's critical role in enabling India's green energy growth."

Shri Das expressed his sincere gratitude to the Hon'ble Union Minister for New & Renewable Energy; Hon'ble Minister of State for New & Renewable Energy; Secretary, MNRE; Board of Directors and all stakeholders for their continued guidance and support. He also appreciated Team IREDA for their dedication and contribution towards sustained growth.
