## **IREDA organises Nukkad Natak at Delhi Technological University to spread awareness against corruption**

New Delhi, 19<sup>th</sup> October 2022

Indian Renewable Energy Development Agency Ltd. (IREDA) in collaboration with Delhi Technological University (DTU) organized a Nukkad-Natak at the DTU campus on 18th October 2022. Nukkad Natak was held as part of IREDA's "Vigilance Awareness Week 2022" to raise awareness against corruption.

A group of students from Pratibimb, the dramatic society of DTU, performed a street play to raise awareness against corruption. Smt. Manisha Saxena, Chief Vigilance Officer (IREDA), Prof. Madhusudan Singh, Registrar of DTU and other senior officials were present on this occasion.

The event saw active participation by the students.
