# MNRE, Secretary, Shri Bhupinder Singh Bhalla joins IREDA Strategy Meet

New Delhi, 17<sup>th</sup> December 2022

Indian Renewable Energy Development Agency Ltd. (IREDA) organized a Strategy Meet, today, at SCOPE Complex to discuss IREDA roadmap for current year and next five (5) years. IREDA's Strategy Meet was graced by Hon'ble Secretary, MNRE – Shri Bhupinder Singh Bhalla, IAS (1990 Batch).

At the outset, CMD, IREDA, Shri Pradip Kumar Das welcomed Hon'ble Secretary and expressed his gratitude to him for taking out his valuable time and addressing IREDA officials during the Strategy Meet. He added, ***"IREDA has set a benchmark among NBFC and other mainstream bankers in Renewable Energy space. The Strategy Meet will help devise a strategic roadmap, re-align company's vision and identify bottlenecks, gaps, etc. towards not only achievement of targets set by MNRE but also speed up the RE development in the country in order to reach Government of India's target of 500GW of installed capacity through non-fossil fuels by 2030"***.

Speaking on the occasion Shri Bhalla said, ***"IREDA Is the Numero Uno in Renewable Financing"***. He motivated IREDA officials to continue learning to keep themselves abreast with the latest offerings in Renewable Energy space and come out with suggestions and innovative measures for New & Renewable Energy development.

The Strategy Meet was attended by Director (Technical), IREDA and other officials from Technical, Legal, Finance, Risk & IT Dept. The Strategy Meet was followed by a Masterclass webinar on 'Wind Energy' by Mr. Lars Holm, Boston Consulting Group (BCG) Expert on Wind Energy. BCG is the Knowledge Partner for IREDA.
