IREDA Conducts Preventive Health Check-up for All Employees

New Delhi, 9th March, 2024

Indian Renewable Energy Development Agency Limited (IREDA) demonstrated its commitment to employee welfare through the organization of a Preventive Health Check-up camp at its Corporate Office in New Delhi today. Inaugurated by Shri Pradip Kumar Das, Chairman & Managing Director of IREDA, the camp marked a significant initiative aimed at fostering early detection

of health concerns and fostering a culture of prioritizing fitness among its workforce.

The camp saw enthusiastic participation from all levels of staff, including CMD and Director (Finance), underlining IREDA's inclusive approach to employee well-being. Contract, security, and housekeeping personnel were also encouraged to avail the benefits of the health camp, ensuring holistic coverage across the organization.

Shri Pradip Kumar Das, CMD reiterated IREDA's steadfast commitment to its employees, recognizing them as the company's most invaluable asset. He underscored the importance of maintaining physical and mental well-being, emphasizing that a healthy workforce is fundamental to achieving optimal performance and organizational success. This initiative reflects IREDA's holistic approach towards fostering a work environment that encourages both professional excellence and personal well-being.
