Vigilance Awareness Week concludes at IREDA

Joint Secretary, MNRE lauds IREDA for its preventive vigilance measures

New Delhi, November 8, 2022

"Vigilance Awareness Week 2022" on the theme "Corruption Free India for a Developed Nation" was concluded on November 7th, 2022, at the registered office of Indian Renewable Energy Development Agency Ltd. (IREDA). Shri Lalit Bohra, Joint Secretary and CVO, Ministry of New and Renewable Energy, graced the valedictory function.

Shri Bohra lauded IREDA for its preventive vigilance measures and "Zero Tolerance Against Corruption." Further, he praised IREDA for its considerable and ongoing efforts to promote the growth of Renewable Energy sector in the country as an industry leader.

Ms. Manisha Saxena, CVO, IREDA, briefed the Joint Secretary, MNRE, on the organization's vigilance activities. She pushed for the organization's processes being updated on a regular basis to reflect the policies and directives given by various Government agencies.

Numerous activities were carried out throughout the week-long Vigilance Awareness Week (October 31–November 7, 2022) in line with the theme, including holding seminars, workshops, debate competitions, a quiz for employees, and various activities for students at Delhi Technological University and Satyawati College, University of Delhi. IREDA has also

launched a "Complaints Portal" as part of 'Vigilance Awareness Week 2022', which is accessible through the IREDA website.
