

NOTIFICATION FOR SELECTION PROCESS FOR SETTING UP HIGH EFFICIENCY SOLAR PV MANUFACTURING CAPACITIES UNDER THE PRODUCTION LINKED INCENTIVE (PLI) SCHEME.

Publication Date: 05 May 2021

Ministry of New & Renewable Energy (MNRE) has issued guidelines for Implementation of the Production Linked Incentive scheme 'National Program on High Efficiency Solar PV Modules' for achieving manufacturing capacity of Giga Watt (GW) scale in High Efficiency Solar PV modules. The guidelines are available on the https://mnre.gov.in/img/documents/uploads/file_f-1619672166750.pdf

MNRE has entrusted Indian Renewable Energy Development Agency Ltd. (IREDA) with the task of handling the scheme on behalf of MNRE and the responsibility of selection of the manufacturing capacities through bidding.

It has been further notified that:

- a. The manufacturing unit must have a minimum level of integration across solar cells and modules. The unit can integrate ingot and polysilicon manufacturing also.
- b. The minimum capacity of the manufacturing unit to be installed under the scheme shall be 1000 MW.
- c. The modules being manufactured under the scheme shall meet the following minimum performance:
Minimum module efficiency of 19.50% with temperature coefficient of Pmax better than -0.30% per degree Celsius
Or
Minimum module efficiency of 20% with temperature coefficient of Pmax equal to or better than -0.40% per degree Celsius.
- d. The manufacturing capacities shall be online within a period of 18 to 36 Months from date of award, depending on the level of integration, as mentioned in the scheme guidelines.

Accordingly, IREDA hereby intimates its intention for initiating the process for selection of applicants for Implementation of the Production Linked Incentive scheme 'National Program on High Efficiency Solar PV Modules' for achieving manufacturing capacity of Giga Watt (GW) scale in High Efficiency Solar PV modules. The selection will be through an open bidding/application process. The Selection document would be issued soon, on the website of IREDA (www.ireda.in).
